TECHNICAL EVALUATION

Preliminary examination includes evaluation of proposals in accordance with **“Qualification Criteria / Must Meet Criteria”** which focus on compliance with tax registration, active taxpayer status, and regulatory requirements, including KPPRA. Bidders must provide evidence of successful completion of supply of equipment’s to other departments. All substantially responsive proposals during preliminary examination will qualify for Technical evaluation of proposals.

Technical Evaluation of proposals is related to **Vendor’s experience** in supply of equipment’s, particularly in the public sector or similar industries. Prior experience in supply of same item to regulatory Authorities, and qualifications including, **Sample Evaluation** of items has been done in detailed, including how well it addresses specific needs and challenges of the Authority.

Proposals which does not conform to the specified requirements and are technically non-responsive not qualify for financial evaluation.
